Message

The campaign of Swachh Bharat Abhiyan (SBA) was officially launched on 2nd October, 2014 aiming to clean up the streets, roads and infrastructure of Indian cities, smaller towns, and rural areas.

I am glad to learn that the Department of Pharmaceutical is organising "Swachhata Pakhwada" from 1st September, 2018 to 15th September, 2018. In addition to all the offices under the Department, many Pharmaceuticals and Medical Devices companies are also participating in the Pakhwada.

I urge upon all the stakeholders and employees to give emphasis on cleanliness, less-paper office and adopt the same spirit in delivery services. Let us all strive in our daily life to keep our work space and surroundings clean and tidy.

The spirit of Swachh Bharat Abhiyan should be imbibed in our day-to-day life forever.

I extend my good wishes for success of the event.
