I am happy to share with you that NIPER Kolkata is observing Swachatta Pakhwada from 1st-15th September 2024 under the Swachh Bharat Mission with the guiding slogan 'Cleanliness is next to Godliness'.

Our honorable Prime Minister Narendra Modi launched the Swach Bharath mission in 2014 and urged Indians to participate in the mass movement for cleanliness to fulfill Mahatma Gandhi's dream of a clean and hygienic India.

All students, faculty & staff members of NIPER Kolkata are expected to volunteer for this cause. The activities will definitely sensitize the general public, and hopefully, most of them will change their minds regarding this issue. During the Swachatta Pakhwada, a number of activities have been planned at the Institute, viz, Mass Pledge on Swachhta, Disposal of waste, special cleaning drives at laboratories, planting of saplings, poster/ slogan competitions, webinars, etc. I would like to urge one and all to participate and make this Swachhata Pakhwada successful.
